

Section VIII - Provisional Camping

La-No-Che Provisional Troop

Camp La-No-Che provides a provisional troop with a Scoutmaster and volunteer assistants for all eight weeks of camp. **The Scoutmaster will be hired by the Central Florida Council and will not hold any other camp positions.** This provides an opportunity for boys to attend camp who are unable to attend camp with their troop, who wish to attend more than one week of camp, or who are attending specialty camp without a troop.

Specialty weeks and the provisional troop are not intended to be alternatives to troop camping. Any troop sending four or more boys to the provisional troop or a specialty week will be expected to provide an adult to assist with leadership. Questions concerning this issue may be directed to the camp office. **An application is provided on the next page. The information below should be provided to parents of all Scouts attending with provisional.**

Dear Provisional Parents:

We look forward to having your son spend a week with us at camp. As a provisional camper the following is a list of what he should bring with him:

- Enough clothes for a week at camp, including plenty of socks. We do a lot of walking and blisters are common. Closed-toe shoes are to be worn at all times, and a spare pair of shoes is important.
- Field ("Class A") uniform. A Scout should travel in field uniform, wear it to dinner each night, and have his provisional troop photograph taken in it.
- Swim suit and towels
- Long pants and a long sleeved button up shirt for boys taking any of the aquatics merit badges.
- Toilet articles: soap, toothbrush, toothpaste, comb, etc.
- Raincoat or poncho
- Flashlight
- Insect repellent
- Pocket knife
- Compass
- Sleeping bag or sheet and blanket. We will sleep on cots. For his sleeping comfort, he should bring a mosquito net.
- Scout handbook, merit badge books, paper, and pens
- If taking the Big Stump hike, he should bring clothes and shoes that can be thrown away after this very muddy hike.
- Spending money (No large amounts of cash)
- Locked trunk to store everything (or at least valuables)
- \$15 activity fee to participate in daily activities, payable upon arrival to Provisional Scoutmaster

Please don't send unnecessary items to camp that might get broken, lost, or stolen. Label everything he does bring. If you would like to write to your son, please address mail as follows:

Thursday night is parents' night. For a \$6 charge, you are welcome to have dinner with your son and see a special program. Cub Scouts in uniform eat free. You may purchase dinner upon arrival at the check-in pavilion next to the main parking area. *Thanks for letting your son have the opportunity to attend camp.*

Thank you for inquiring about the provisional troop at Camp La-No-Che at the Leonard and Marjorie Williams Family Scout Reservation. This is a special program for Scouts whose troop will not be attending camp, who cannot attend with their troop, or who choose to attend more than one week. There may be additional costs for materials in certain merit badge programs and different fees required for Adventure Camp. A \$25.00 deposit is due with this application, and the full balance is due two weeks prior to camp. In addition, a completed medical form (#34414, or #34412 if taking part in Project COPE) must be signed by a parent and by a physician.
