

Skills

Scout leaders are needed to teach these introductions to technical merit badges and may want to bring their own teaching aids. If interested in teaching a skills merit badge, please email Matt (matt@camplanoche.com) or call him at 352-669-8558. A supply list will be available online at www.camplanoche.com.

Please be aware that some Scouts cannot complete these merit badges at camp, but they will work on requirements throughout the week and complete portions of the badges.
